## FREE SPINS ON FIRE

There's only one lion you'd rather stay close to: FIRELION! This WILD is the fire and soul of DICE CRAFTER'S latest six-reel slot! Each time it shows on the reels, you win big: multiple wins on multiple lines, and, multiple wins on multiple spins! This video-slot is bursting with WILDS, STICKY WILDS, MYSTERY SYMBOLS and a unique HOLD+WIN FREE SPIN feature. This is one pride to be proud of! Also, You can either wait to land the features or buy into them. Three are up for grabs.

LION BOOST boosts your chance of landing WILDS by 60%; FREE SPINS loads 6 WILDS in addition to the same free spins; and, LION SPINS is the latter but kicks off with 12 WILDS! Different prices apply for each feature but the bottom-line is one: the more FIRELIONS you land, the bigger the win. The sticky element means they keep accumulating, especially when you trigger the HOLD+WIN FREE SPIN feature. A minimum of six of them, in any way, will trigger multiple FREE SPINS with the final spin coming with a SPECIAL SYMBOL that can lead to a roaring win! The game is also dotted with randomly appearing MYSTERY SYMBOLS that lose their mystery at the end of each spin.
